

# Beacon Riding Club

## Sponsorship

The Beacon Riding Club is a non profit making organisation that aims to encourage horse riding as a sport and recreation. The club provides a friendly yet competitive environment which provides a great equestrian grounding for our competitors.

Each season the club relies heavily on the kindness of its sponsors to provide funding for rosettes and trophies.

There are currently over sixty classes at each of the six points shows together with x-country competitions and one day events. Next season we will also be hosting six prelim dressage competitions on a Tuesday Evening.

The Beacon Riding Club is looking for sponsorship for the 2008 season. All contributions will be gratefully received, if you feel able to support the club please complete the form below.
